**DEFENDANT FOLEY & MANSFIELD LAW FIRM'S
MOTION TO EXTEND TIME TO RESPOND TO COMPLAINT**

Defendant, Foley & Mansfield Law Firm ("F&M"), respectfully asks this Court to extend the time for it to respond to the Complaint from **October 1, 2019** to **October 15, 2019**. This extension will allow its legal counsel adequate time to review and respond to the Complaint. In support of this motion, F&M states:

1. The Complaint filed in this action is over 188 pages, includes 34 exhibits, and asserts at least fifteen counts against nine defendants. The Plaintiff appears to allege that F&M

committed legal malpractice by, *inter alia*, failing to bring and/or pursue various statutory claims against General Electric after F&M sent a letter from its office in Minneapolis, Minnesota on July 16, 2014 to General Electric Healthcare in Wauwatosa, Wisconsin.

2. F&M does not have an office, or do business in, the Commonwealth of Massachusetts and was therefore unable to retain counsel to defend it until September 23, 2019.

3. Because of the length and scope of the Complaint, along with the time and location in which the alleged legal malpractice occurred, undersigned counsel requires additional time to assess and appropriately respond to the Complaint

4. No party will be prejudiced by extending the current response deadline by fourteen (14) days. In fact, allowing counsel additional time to assess and respond to the Complaint will only serve the interests of justice.

5. The Plaintiff will not assent to extending this deadline to **October 15, 2019**.

WHEREFORE, the Defendant, Foley & Mansfield Law Firm, respectfully asks this Court to extend the time by which they must respond to the Complaint to **October 15, 2019**.
